Welcome to the William D. Pratt School Class Registration System for 2025-2026

William D. Pratt Complementary Selection Process

This form will be used to place students into complementary courses for the 2025-26 school year. Each student and parent/guardian must select 4 preferred complementary courses. It is our hope that students will be enrolled into these 4 if not then we will enroll them in either their 5th or 6th choices which have been recorded on the paper copy.

Fees may be associated with some courses. Instrumental Music (Band) and French are full year programs. There are at least two pages of courses to choose from.

Please be aware that course availability will be subject to minimum enrollment numbers, student interest, and school resources. Additionally, our schedule is created based on these requests, please be thoughtful when choosing complimentary courses as there will be no availability to change courses next year.

If you have any questions regarding the complimentary course selection process, please email: williamdpratt@cbe.ab.ca or phone us at: 403-817-3520.

Course Requests

		beings have with the world or nature. We will explore interests, passions and skills while making connections to multiple occupational areas associated to Environmental Stewardship. This class will be project based. As such, students will be developing their ability to work as individuals and in groups, while they explore careers and technology. Students will develop their skills in planning, appraising and communicating in response to challenges as they build their projects. Projects will be based in looking at environmental issues, and technological advancements in support of a brighter future, and building strong connections to the natural world.
