1st April 2022

To Whom It May Concern

Dear Neighbours,

William D Pratt School is thrilled to announce that our Outdoor Recreation and Learning Space construction will begin on Monday April 11, 2022.

Construction hours from this date forward will be, approximately, Monday - Friday from 7:30am to 5:00pm. We are hoping for a completion date to be sometime in early summer, so long as the weather cooperates.

Please be advised that there will be fencing outlining the construction area installed in the days prior to the start date. Entrance to the construction site will be from Royal Birkdale Boulevard.

All safety protocols are being reviewed and implemented. Please be aware of the difficulties that may be experienced with respect to having a construction site so close, i.e. wind, dust and debris.

We would like to thank all our donors, volunteers and support for helping us make this venture a reality!

We can't wait to see our students and community members playing, relaxing and competing in this new space soon!

Sincerely,

The Playground Committee

William D Pratt School Fundraising Society
